Key Messages – Excellence

Do not work to fill the 70 pages! Work to get your ideas across!

- Objectives are *clear, measurable, realistic* and *can be reached*
- Ambitious $\leftrightarrow$ Ober-ambitious
- *Relation to topic* is easy to see
- Results and effects to be *described sufficiently*
Key Messages – Impact

This section should be prepared in parallel with the 2 others!

- What is the *benefit of your project*?
- Who are the *users of your results*?
- Don’t forget about *IP-protection* and *data-management*
- Think about an appropriate *communication concept*!

➔ Please consider enough time and discussion for all different aspects around this task!
Key Messages – Implementation

- **Consistency** is key!
  - objectives reflected in the work plan
  - deliverables aligned with objectives
- Your work plan should follow a **logic order**
- Appropriate **number of work packages**
- Cover **all disciplines** based on topic text and expectations
- **Copy-paste** from other projects is a **no-go** for setting up the structure
- Don’t forget about **risks and mitigation** measures
Don’t forget about your visibility!

Register with an expertise profile under www.fitforhealth.eu

Publish Your Profile
Present your companies or research institutes research field and expertise through filling the proposed profiling form! Your profile will be entered into FFH database.

Publish Your Partner Search
Are you a coordinator of a research consortia preparing a project proposal for an open call in Horizon 2020 funded research in the Health sector and look for SME partners?

Find Your Partners
