Competence of the speakers	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Information

H2020 Online Manual:

The screenshot displays the 'Participant Portal H2020 Online Manual' interface. The top navigation bar includes the European Commission logo and the text 'RESEARCH & INNOVATION'. Below this, a breadcrumb trail reads '> H2020 Online Manual > Grants > Grant management > Reports & payment requests >'. Two buttons, 'Periodic reports' and 'Final report', are visible. The main content area is titled 'Reports & payment requests' and includes a 'HOW TO' icon. The text states: 'Under Article 20 of the grant agreement (GA), the coordinator must submit to the Commission technical and financial reports, including requests for payment - specifically:'. A bulleted list follows:

- a **periodic report** (both technical and financial) within 60 days of the end of each reporting period (including the final one)
- a **final report** at the end of the project ('action')

 Below this, it notes: 'The periodic report for the final reporting period covers only the final period, while the final report must give an overview of the project's results over its entire duration.'

 The section 'Periodic Report' is followed by a 'STRUCTURE' heading. The text states: 'The periodic consists of the periodic technical and financial reports:'. A numbered list follows:

1. **Technical report** (in 2 parts)
 - **Part A** structured tables from the grant management system:
 - cover page
 - publishable summary
 - web-based tables covering issues related to the project implementation (e.g. work packages, deliverables, milestones, etc.)
 - answers to the questionnaire about the economic and social impact, especially as measured against the Horizon 2020 key performance indicators and monitoring requirements.

 A left-hand navigation menu lists various sections such as 'My Area - User account & roles', 'Grants', and 'From evaluation to grant signature'.
