Participant Portal

The screenshot shows the top of the Participant Portal. At the top right, there are links: (A-Z) Sitemap, About this site, Contact, Legal Notice, Search, and English. Below this is the European Commission logo and the text "RESEARCH & INNOVATION Participant Portal". A navigation bar contains links: HOME, FUNDING OPPORTUNITIES, HOW TO PARTICIPATE, EXPERTS, and SUPPORT (which is circled in red). To the right of the navigation bar is a search box labeled "Search PP" and buttons for LOGIN and REGISTER. Below the navigation bar is a banner for "Horizon 2020 Funding Starting from 1/1/2014". The main content area has a heading "On this site you can find and secure funding for projects under the following EU programmes:" followed by a list of programmes. Below this are two columns: "Non-registered users" and "Registered users", each with a list of actions. At the bottom, there are six icons representing different sections: WHAT'S NEW?, FUNDING OPPORTUNITIES, HOW TO PARTICIPATE, WORK AS AN EXPERT, MY PERSONAL AREA, and INFORMATION AND SUPPORT. A red arrow points from the "SUPPORT" link in the navigation bar to a dropdown menu on the right.

**WELCOME TO
HEALTH 2 MARKET!**

Health-2-Market is a coordinating action funded by the European Commission that aims at developing the Health researchers' entrepreneurial skills and knowledge to support the market exploitation of their research results.

More specifically, it aims to:

- Help health/life sciences researchers to develop an entrepreneurial mentality
- Provide high quality training in a variety of topics: IPR and asset management, entrepreneurship and business planning, launch of a successful start-up and knowledge transfer, etc.
- Offer advanced services and consultation to researchers having the most promising health research outcomes in terms of commercial exploitation and new business creation.

EUROPEAN IPR HELPDESK

The screenshot shows the homepage of the European IPR Helpdesk. At the top, there is a blue header with the European Commission logo and the text "EUROPEAN IPR HELPDESK" and "Get your ticket to innovation!". Below the header is a navigation bar with a "quick search" box and several colored buttons: "services", "news", "events", "library", "training", "ambassador", and "helpline". To the right of the navigation bar are social media icons for RSS, LinkedIn, and Twitter, and a "newsletter sign up here" button. The main content area is divided into several sections: "Get your ticket to innovation!" with a paragraph about the service, "Support within 3 working days!" with a paragraph about the Helpline service, "IP SME Corner" with a paragraph about the service, "Ambassador" with a paragraph about the service, "upcoming" events, and "other helpdesks" listing Asean, China, and Mercosur IPR SME Helpdesks. At the bottom, there is a link to download a leaflet.

Get your ticket to innovation!

We believe that knowing how to manage Intellectual Property (IP) and Intellectual Property Rights (IPR) is the ticket to innovation and competitiveness in Europe. The European IPR Helpdesk offers free of charge, first-line support on IP and IPR matters to beneficiaries of EU funded research projects and EU SMEs involved in transnational partnership agreements, especially within the Enterprise Europe Network (EEN).

Support within 3 working days!

Our Helpline service provides tailor-made advice on your specific IP or IPR query – customized, straight-forwardly, comprehensibly and free of charge. Get in touch with our team of experienced lawyers via registration on our website, phone or fax and receive a qualified answer or examination of your personal IP issue within three working days. In addition we offer free of charge training events on different aspects of IP management and IPR based on a practical and comprehensive training approach. Regular publications such as an eMail Newsletter and the Bulletin keep you updated on the latest developments in the field of IP and IPR.

Find more information on our services in our leaflet, which you may download here.

Micro-, small- and medium-sized-enterprise (SME) office

The European Medicines Agency launched a micro-, small- and medium-sized-enterprise (SME) office in 2005. The office is dedicated to addressing the particular needs of smaller companies.

The establishment of the SME office followed the European Commission's adoption of specific provisions on 15 December 2005. These provisions were aimed at promoting innovation and the development of new medicines for human and veterinary use by SMEs.

This section of the website provides information on the assistance that the SME office offers to SMEs:
