

## **Fit for Health 2.0 Webinar on Grant Agreement Preparation in EDCTP2 projects**

1. Q: Are the expert evaluators selected from the same list of the EC Participant Portal?  
A: No, EDCTP uses a different list of experts, but some may be those listed on the EC Portal.
  
2. Q: Is there a tool for partner search especially for the EDCTP programme?  
A: No, consortia are formed by applicants without EDCTP involvement.
  
3. Q: Is the accession form signature due within 30 days from the signature of the grant agreement or from the start of the project?  
A: The signature of the accession form is due within 30 days from signature of the grant agreement.
  
4. Q: How can experts be on the special list of the EDCTP?  
A: You can register via our website, and after an internal assessment you could be added to our pool of reviewers.
  
5. Q: When should the consortium agreement be prepared, before or after knowing that the project has been founded?  
A: Please proceed with getting documents ready once notification of the award is given by the EDCTP. With regard to the legal entity form – this form has been adapted and it needs to be filled in by all beneficiaries.
